

What is Our Blessing Garden?

A beautiful, landscaped area lies at the triangular corner of Our Lady of Life, Mary, Queen and Mother Center and Mother of Perpetual Help. The Blessing Garden has been constructed as a place of peace, prayer and meditation.

The Blessing Garden is a place of remembering your loved ones who have passed on to eternity, or honoring someone special who is still living.

The Blessing Garden has different sizes of bricks which can be engraved with a loved one's name. You can also make an offering for a garden bench, trees, shrubs or flowers.

Come, visit our beautiful Blessing Garden at Cardinal Ritter Senior Services, 7609 Watson Road, St. Louis, Missouri 63119.

Peace. Prayer. Meditation.

The Blessing Garden is on our campus in a peaceful wooded area.

Landscaping and flowers make it a place of beauty, as well as a place for prayer and personal reflection.

Engraved blessing bricks will remind all who visit to say a prayer for or share a story about those being remembered.

Blessing Bricks are a wonderful way to recognize a special anniversary or birthday, or even as a special Mother's or Father's Day gift.

We invite you to take advantage of this wonderful opportunity to remember your loved ones or to honor someone special.

For more information, please contact our Development Office at (314) 961-8000 extension 323 or by email at crssdevelopment@ccstl.org.
